Let's play
BINGO

Do you know

what a 「Bingo journey」 is?

Bingo—pronounced just like the game—is the generic name of the area spread between the eastern area of Hiroshima Prefecture and the western area of Okayama Prefecture.

Putting aside the storied history of the Bingo area for the moment, this guide map is intended to introduce some of Bingo's most wonderful attractions! From bounty from the Seto Inland Sea to the south and an abundant mountain region to the north, the Bingo area is flush with various sights waiting to be discovered. Because the area offers too much to see all at once, these recommended courses are designed to offer the most enjoyment based on five different themes. Whether you're looking for a full-flavored trip through gourmet possibilities or experiences worthy of posting on social media, Bingo has got you covered! Find a theme or course that suits your tastes and embark on your own "Bingo journey!"

Here, you'll soon find that **Bingo is more than just a game of chance**. It's a life-changing experience!

Course
C

Discover gourmet eats from Bingo.

This course treats travelers to the treasures of the sea and the varied bounty of the mountains. Bingo has a wide variety of unique tastes to enjoy!

A chef from France who is familiar with Japanese culture

Onomichi City

Commonly known as "Lemon Valley," Ikuchijima (Setoda) is known as the birthplace of Japan's domestically produced lemons. Lemon cultivation is actively pursued in the region even to this day.

Sera Town

Sera Roadside Station includes stores where visitors can buy local agricultural products and famous goods from Sera Town. The packaging for original products is both cute and sophisticated. The special coffee is a must-try!

Known as the "Fruit and Flower Town," Sera Town is home to a wide variety of fruits. The town is particularly known for its delicious pears.

This winery uses locally grown grapes for all its wines. Visitors can enjoy wine tasting in the search for their favorite wine!

Mihara City

Mihara Shinmei no Sato Roadside Station offers travelers a treasure trove of local fresh ingredients and specialty products, including Mihara's famous octopus!

Fuchu City

Bingo Fuchu Roadside Station features restaurants where visitors can enjoy Fuchu miso, a local specialty, and various dishes made with local vegetables as well as a market where visitors can buy vegetables fresh from the farm.

Jinsekikogen Town

Jinseki's beef cows are known throughout the country for both their breed and the quality of their meat, making them one of Japan's most famous cows.

DBroaden your horizons!
Discover photogenic destinations.

The Bingo area has set the stage to a number of movies and dramas. Whether you're looking to embark on a pilgrimage or see landscape that is worthy of posting to social media, this course has you covered. You're sure to find plenty of scenery and gourmet dishes to "like!"

Two camera-toting girls from Taiwan

Onomichi City

The Yamate region is lined with cobblestone streets and packed with private houses from the sloping roads to the slopes of the mountain for a sight reminiscent of a miniature garden.

Kosanji Museum (Kosan-ji Temple)

Built by former businessman Kozo Kosanji as a symbol of appreciation to his mother, Kosan-ji Temple is also known as the "Mother's Temple."

The Shimanami Kaido cycling course includes the iconic "Blue Line," a blue stripe that marks the route. This course offering cyclists a scenic ride through the breeze of the Seto Inland Sea with breathtaking views from atop various types of bridges.

Onomichi City is home to a variety of delicious gourmet dishes including Onomichi Ramen, made with its characteristic pork back fat, and "Anago-don," a rice bowl made with conger eel—Onomichi's quintessential local fish.

Mihara City

Those interested in embarking on the Mihara "Sweets Walk" can visit the Ukishiro Lobby Tourist Information Center inside Mihara Station to receive the "Mihara Sweets Walk Coupon" offering various information and deals.

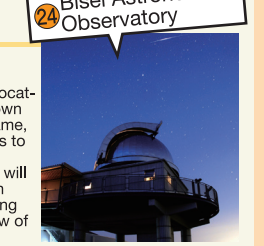

Mihara Daruma

Discover hidden artistic talents with the chance to draw faces on daruma at the Mihara Daruma Workshop. Mihara's traditional folk craft! (Reservation is required.)

At the Bisei Astronomical Observatory—located in Bisei, a town worthy of its name, which translates to "beautiful stars"—visitors will be treated to an all-encompassing 360-degree view of the night sky.

ADiscover inspiring townscapes,
exciting historic sites,
and the excellence of nostalgic Bingo.

Bingo offers unique, nostalgic streetscapes straight out of history as well as beautiful landscapes. This historic course includes fun that can only be found in Japan and memories that can only be made in Bingo.

A couple in their late 60s from Kanagawa Prefecture

Fuchu City

Enjoy a historic and picturesque landscape that includes a romantic, white-walled towncape complete with the white plaster walls of old-fashioned storefronts and the lattice-work doors of homes.

Koishiki

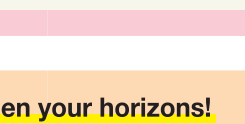

This savory pancake made with minced meat, gravy, and a hearty helping of cabbage is crunchy on the outside and deliciously soft on the inside. Fuchu-yaki is a local specialty loved by many since days gone by.

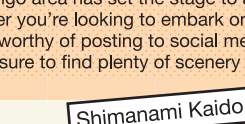

Founded in the Taisho era, the Okinaza playhouse has seen its share of visitors over the years. The building remains today as the prefecture's only wooden building to maintain its historic setting.

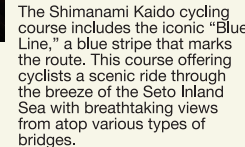

This famous castle will be commemorating 400 years of history in 2022. Located near Fukuyama Station, Fukuyama Castle includes a museum in the main keep that conveys the history of Fukuyama City through exhibitions featuring books and armor of the castle's historic lord.

The Tomonoura port area has become a well-known stage for numerous movies and dramas. The stunning view of the Seto Inland Sea and the historical landscape have earned Tomonoura the special title of a "healing" port town.
